*AUSTRALIA'S PREMIUM TEMPORARY  
FENCING HIRE COMPANY*

1300 836 733 | [1300TempFence.com.au](http://1300TempFence.com.au)

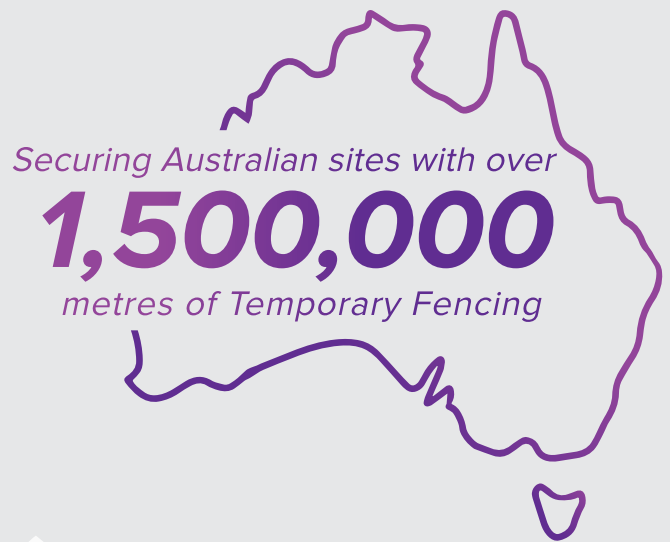

## LEADERS IN COMPLETE SITE SOLUTIONS

With over 24 years' experience in the industry, 1300TempFence has grown to be one of Australia's leading complete site solutions companies by providing competitive prices, fast, reliable service and industry leading products. We ensure that our customers can get their job done in a safe and secure environment.

Our goal, is to provide a service that makes your event run that little bit smoother. With our vast experience, we know exactly what works on site. Our product range includes; temporary fencing, crowd control barriers, white picket fencing, portable toilets, noise reduction barriers, water filled barriers and site cameras. Plus plenty more!

With branches across the country, we have Australia covered and are proud to say we're one of Australia's preferred specialists in temporary fence event hire and sales.

*"We're in a service business. Our success is built off the service we provide for our customers. So, we focus on doing it right the first time, to keep our customers happy"*

**Bruce Fouracre** | Director 1300TempFence

## ABOUT US

Founded by brothers, Martin and Bruce Fouracre along with their friend Mark Eaves, in 1999, 1300TempFence has since grown to become one of Australia's largest equipment hire and sales businesses.

The Ready Industries Group of businesses encompasses the following brands and products;

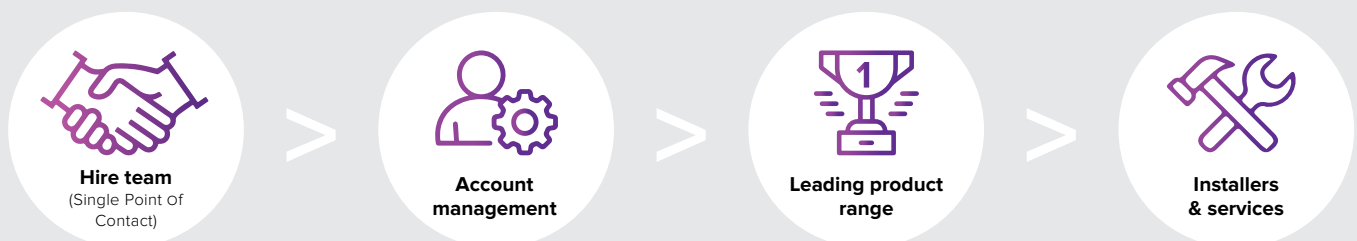

1300TempFence, Site HQ, 1300Hoarding, 1300SiteCam, 1300Dunnys and TPSCC (The Printed Shade Cloth Company) among others.

As our business has grown, we've continued to add key personnel to our senior management structure to ensure our level of service to our clients is of the highest standard.

## DEDICATED ACCOUNT SUPPORT

We also provide dedicated account support, and this combined with our proven, robust management structure enables close effective communication, while

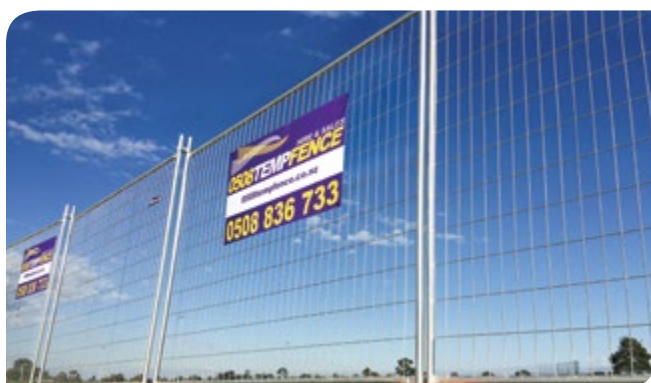

maintaining operational efficiency and the continual ability to meet our customers' needs.

# EXPLORE OUR HIGH QUALITY RANGE OF PRODUCTS

We aim to provide our clients with high quality products, unrivalled site security & safety solutions.

In addition to our traditional temporary fence solutions, we also offer a range of other products and services to help ensure your event is a success! These include; Portable Toilets, Crowd Control Barriers, Water Filled Barriers, White Picket Fencing, Privacy Screen Fencing Options (Plastic Sheets, Shade Cloth, Printed Banners), Site Security Cameras and so much more! Check out some of our most popular items below:

POWERED BY:  
**1300TEMPFENCE**

## TEMPORARY FENCING

Our infrastructure systems have been specially designed and engineered to perform on any major event across Australia. Our unwavering commitment to OH&S and the quality of our products, ensures we continually support our clients with experienced installers and unrivalled site security & safety solutions.

## CROWD CONTROL BARRIERS

Quick and easy to install our crowd control barrier system is ideal for public safety at events and gatherings. Vital for maintaining safe crowd flow our barriers are designed with stable flat feet to reduce any tripping hazard and the added safety of holes for pegging or dyna-bolting.

## ENGINEERED SPEC FENCING

In high wind prone areas, or where you have installed shade cloth or printed banner mesh, it is vital to use engineered temporary fencing. We have engineered different bracing solutions to suit multiple wind speeds, from servicing the minimum requirement of Stability Class fence at 54km/hr right up to 147km/h depending on your site's specific requirements.

## PLASTIC SHEET TEMPORARY FENCING

Made from High Density Polyethylene (HDPE) sheets and attached to our sturdy MAXI 2.4m Panels, our plastic sheet fencing system provides a great alternative to traditional plywood hoarding while being extremely quick and easy to install.

### **WHITE PICKET FENCING**

Need to keep control of crowds while still making a stylish impression? Our white picket fencing is for you. Lightweight, durable and sturdy, with low profile feet for stability. With a wind resistant design, this temporary fencing system provides a smart front-of-house fencing solution. Suitable for all occasions from sporting events, expos, weddings and more.

### **PRESTIGE FENCING**

Perfect for events and sites where extra security or a smarter presentation is required. Our Prestige Panel provides anti-climb vertical piping and is a smarter looking alternative to a standard weld mesh temporary fence panel.

### **NOISE REDUCTION BARRIERS**

Our Noise Reduction Barriers help protect local communities and employees from the harmful effects of excessive noise. Our barriers reduce noise levels by up to 18dBA. Lightweight, weatherproof and adaptable to any environment they are simple to install and easy to transport.

### **SHADE CLOTH**

Ideal for sun protection and privacy screening. Our high quality, heavy duty, UV protected Shade Cloth range will last for years. Available in a variety of widths, colours and shade ratings.

### **GROUND PROTECTION MATS**

Our Ground Protection Mats protect grass and soft ground from tyres and prevent vehicles from getting stuck. Our mats have over 1600 studs on each side; one provides grip to the tyres, the other grips the ground. They are moulded from special grade UV-stabilised recycled polyethylene resin. This allows the mats to flex without breaking - even under the weight of a heavy truck, while being rigid enough to spread the wheel load.

### WATER FILLED BARRIERS

Our **Shield 1** barrier is made from a patented composite design, utilising a high strength modified UV stabilised polyethylene. Easy to install with steel connecting pins, this Australian made, re-directive barrier is approved by road authorities Australia wide.

Our **KI 1000** has been specifically designed as a pedestrian and low speed zone barrier, complying with Australian Standards for Traffic Control devices for works on roads. AS1742-3-2019

Our **X-Site** is a heavy-duty pedestrian zone barrier, perfect for delineating crowd flow. Making it the ideal choice for road closures for events where traffic management is in place. Easy to install, with a simple interlocking system.

Our Shield 1 and X-Site have apertures in place so they can easily be fitted with fence tops for added privacy.

POWERED BY:  
THE PORTABLE TOILET COMPANY

### PORTABLE TOILETS

Safe, comfortable and hygienic, our portable toilets are both modern in design yet ergonomically friendly. Durable and built to withstand the demands of high usage and frequent movement. With regular servicing available upon request.

POWERED BY:  
tpsc

### PRINTED BANNER MESH / SHADE CLOTH / CROWD CONTROL BARRIER SLIPS

Looking to create a visual impact at your next event? We can help with custom branded shade cloth, banner mesh and crowd control barrier slips. Work with our team of in-house graphic designers to create the impact you need to bring your event to life!

POWERED BY:  
1300SITECAM

### SOLAR / WIRELESS SITE CAMERAS

Monitor and protect your site and assets with our solar/wireless security camera systems. Available as either single or double camera units with the option of either above ground or in ground installation. Reduce the risk of theft and gain peace of mind that your site or venue has complete 24/7 visibility.

### Benefits:

- Solar & battery powered
- Uses Telstra 4G wireless internet
- High quality 2K camera
- Advanced motion detection up to 20m range
- Email and push notifications to your mobile or tablet when motion is detected
- Flood light & strobe light upon detected motion
- We can also provide Site Monitoring, if this is of interest, please let us know.

## OH&S: OUR CONTINUAL POLICY

We take a responsible approach to the way we work and behave, both inside and outside our organisation. As a growing business, we know we have an impact on our colleagues, our customers, the environment and our local communities, as well as on wider society and the economy.

At 1300TempFence, our number one operating priority is making sure that our company is a safe place for colleagues to work, and customers to hire from. We feel morally as well as legally responsible to provide a workplace that is safe and to equip our colleagues with the knowledge and equipment, they need to protect themselves at work.

To ensure we limit any negative environmental impact arising from our day-to-day business operations, we

commit our people and resources to help reduce polluting emissions and regulate our use of natural resources wherever possible. We recognise that the CO2 emitted by our transport activity is the largest single impact we have on the environment. We are working diligently to reduce this through becoming increasingly vehicle and fuel efficient.

*We're committed to providing our customers with the highest quality product at all times. We strive for excellence in everything that we do.*

**Bruce Fouracre** | Director 1300TempFence

## ENGINEERED TEMPORARY FENCING

At 1300TempFence we take pride in supplying industry leading, fully engineered systems, so you don't need to worry about issues with compliance or safety. All systems are certified by third party engineering consultants, and all relevant engineering documents will be provided to you throughout the quoting and installation stages of your project.

All testing documents have been prepared in accordance with the following Australian Standards: AS 4687 – 2022 Temporary Fencing and Hoardings.

### PROPRIETARY DESIGNS FOR WIND SPEEDS OF:

- 54 km/h • 65 km/h
- 75 km/h • 86 km/h
- 100 km/h • 115 km/h
- 140 km/h

# NOTHING BEATS EXPERIENCE

At 1300TempFence we have the products, the experience and the expertise to ensure your event not only runs smoothly, but is also safe for all workers and attendees. We understand the true complexity of large scale events and know how to seamlessly ensure that all moving parts are where they need to be on time, on budget, every time!

Having assisted on many major events across Australia we're pleased to share how we have helped at some of the more recent leading events.

## **SPORTING EVENTS:**

- Formula 1 Australian Grand Prix 2023
- AFL Gather Round
- UCI Road World Championships
- Carnac - Ballarat
- *Plus plenty more*

## **MAJOR EVENTS:**

- Avalon Airshow 2023
- World Pride Festival – Sydney Harbour Bridge Pride March
- Beyond the Valley
- Red Bull Billy Cart Race
- *Plus plenty more*

## SPORTING EVENT CASE STUDY:

# AUSTRALIAN FORMULA ONE GRAND PRIX

Ready Industries and 1300TempFence have been supplying the Australian Formula One Grand Prix for a number of years. The Formula One Grand Prix is at the forefront of International events hosted by Melbourne and Australia, rivaled only by the Australian Open Tennis as true international events. Our contract requires us to deliver and install in excess of 25km of fencing, which includes:

- **1.8m Temporary Fencing**
- **2.1m Temporary Fencing**
- **Oz Post/Semi-Permanent Temporary Fencing**
- **Crowd Control Barriers**

To deliver the event, we appoint the following key personnel:

- **Contract Manager**
- **Project Manager**
- **Leading Hand x 2**
- **Labour x 6**

This team is based out at Albert Park for 4 months, working out of a site based compound and utilizing 3 trucks and up to 3 x buggy forklifts to deliver the job. During event week, the team operates 2 standby crews, one inside and one outside the track to deal with any issues that arise whilst the event is live.

## SPORTING EVENT CASE STUDY:

# AFL GATHER ROUND

In April 2023, Adelaide played host to the AFL Gather Round Event, a celebration of footy that saw nine games, across three venues, over four days. Our expert South Australian team worked diligently to transform the locations of Mt Barker, Norwood, Pinky Flat and Elder Park into safe and secure spaces for the event to take place in.

### 1300TEMPFENCE OVERALL SUPPLIED:

**Mt Barker:** Over 3,500m of temporary fencing, consisting of 1500m of spec fencing as well as 480m of crowd control barriers and white picket fencing.

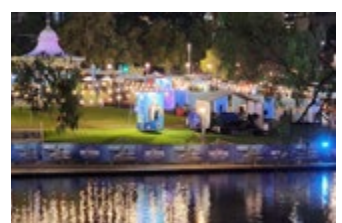

**Norwood:** 158m of spec fence and 253m of crowd control barriers

**Pinky Flat:** 466m of spec fence

**Elder Park:** 1500m of spec fence, 200m of crowd control barriers, ground protection mats and white picket fencing.

The deliver this project, was no small task. It took three weeks to install at Mt Barker, with 8 semis and two crews working daily, and one week for Elder Park. The Pinky Flat and Norwood locations were installed in one day each. To ensure installation was completed in time, our teams worked weekends and after hours.

It's safe to say that the AFL Gather Round, Festival of Footy was a fantastic success that we were proud to be a part of.

**SPORTING EVENT CASE STUDY:****UCI ROAD WORLD CHAMPIONSHIP**

Held in 2022, in Wollongong, NSW. This Olympic scale event is the pinnacle of road cycling and had more than 1,000 of the world's top cyclists from 70+ nations compete for a gold medal and the coveted rainbow jersey. It's one of the top five sporting events in the world and is watched by more than 300 million viewers around the globe.

Our NSW crews, had a busy few weeks of installation to ensure that all spectators and cyclists were safe throughout the 8 day elite racing event.

**1300TempFence had the utmost pleasure of supplying:**

- **Over 24,000m of Crowd Control Barriers**
- **1500m of Temporary Fencing**
- **12,000 Concrete Blocks**
- **Over 800 Water Filled Barriers**

It was a massive project to install, dismantle and remove all fencing and barriers. But it was all handled like clockwork and overall contributed to a smooth run event which left the organisers extremely happy.

**SPORTING EVENT CASE STUDY:****CARNAC BALLARAT**

We supplied GTR Events with their full calendar of events, with CARNAC in Ballarat being the jewel in the crown. This event is a multi-discipline cycling event consisting of a time trial, road race and criterion across a weekend in January. We've executed the event twice prior to COVID with efficiencies gained each time.

**Across the weekend we installed a combined total of:**

- **Standard Crowd Control Barriers – 4000m**
- **Angled Crowd Control Barriers – 600m**
- **Temporary Fencing – 300m**
- **Concrete Blocks - 1500**

The delivery involved the use of 4 x trucks and install crews to deliver the equipment, along with the use of forklifts for greater flexibility on site. For the criterion event we pre-delivered a large quantity of equipment prior to the event and stored it in a laydown area nearby. This allowed for greater access to equipment and removed the risk of transport delays, allowing us to focus on the installation.

Alongside supplying GTR Event's full suite of events, some other major events that we have proudly supported are:

- **Australian Open tennis**
- **Presidents Cup Golf**
- **Moomba Festival**

## MAJOR EVENT CASE STUDY:

### AVALON AIRSHOW

Held at Victoria's Avalon Airport (less than an hour's drive from Melbourne), the Airshow is a biennial 3-day event, of action-packed aerial spectaculars with awe-inspiring aerobatics, gravity defying flying displays and an array of static aircraft to view up close. It showcases the latest in military jet fighters, bombers, attack helicopters, vintage warbirds and more. The event attracts aviation enthusiasts, families, and people from all over Australia and beyond with over 48,000+ attendances through the gates over three huge days.

**To successfully deliver this event, 1300TempFence supplied:**

- 12,500m of Crowd Control Barriers
- 1,590m of Temporary Fencing – 54km/hour spec 70%
- 1,490m Semi-Permanent Fencing
- 1,390m of Temporary Fencing – Braced every 6.6m

Installation commenced just before Christmas with the our install crew working diligently up until February 28th when the Airshow began.

We were then back on site to dismantle our fencing and barriers, returning Avalon Airport safely back to it's original condition.

## MAJOR EVENT CASE STUDY:

### WORLD PRIDE FESTIVAL – SYDNEY HARBOUR BRIDGE PRIDE MARCH

After what was a massive week of celebration, the World Pride Festival concluded with a crowd of 50,000 participants taking to iconic Sydney Harbour Bridge for a historic annual Pride March. 1300TempFence had the pleasure of supplying crowd control barriers for the coveted event.

**We were contracted to install:**

- 1,782m of Crowd Control Barriers

The complexity of this project was the tight time-frame. Installation occurred at night to ensure that everything was set up and installed by 7am and completed within a 90 minute window of time. Upon completion of the event, the barriers had to be removed within an hour and our expert team were able to complete the task with 15 minutes to spare. The team also had to contend with logistical challenges, including traffic and access to the bridge.

**To deliver the event, we appointed:**

- 2 Supervisors
- 15 Crew Members

The team's professionalism, expertise, and attention to detail ensured that the barriers were installed and removed within the tight timeline allowed and it was this efficiency that ensured that traffic disruptions to the Harbour Bridge were prevented.

**MAJOR EVENT CASE STUDY:****BEYOND THE VALLEY**

1300TempFence played a crucial role in the successful execution of the Beyond the Valley Festival. We supplied and installed a wide range of products to aid the running of the event. Held at Barunah Plains, one and half hours from Melbourne. This boutique, Australian music festival takes place annually for four days over the New Year's period. With 3 stages delivering top headline acts.

**We were contracted to install and supply:**

- **8,000m of 3.3m Temporary Fence Panels**
- **1,500m of Prestige Temporary Fence Panels**
- **980m of Semi-permanent Temporary Fence Panels**
- **3,098 x Plastic / Concrete Feet**
- **1,100m of Crowd Control Barriers**
- **400m of White Picket Fencing**
- **3,100 x 25/25 Clamps**
- **650 x 1,650mm Super Pickets**
- **2,000 x 1,650mm Smart Pickets**
- **10,000 x Picket Caps**
- **17 x 70% Shade Cloth (Sandstone), and much more!**

Our dedicated crew of three installers commenced the setup at the beginning of December, ensuring everything was completed prior to Christmas, allowing ample time for final event preparations. This was a significant achievement considering it was the first time the event was held at this location and it required careful logistical planning and coordination by our event team and project managers.

**SPORTING EVENT CASE STUDY:****RED BULL BILLY CART RACE**

1300TempFence, were proud to have played a pivotal role in one of Australia's most thrilling and adrenaline-pumping events - the Red Bull Billy Cart Race held in East Melbourne's Landsowne Street. As a trusted supplier of the events industry, we were enlisted to provide a comprehensive range of products and services to ensure the event's safety and success.

**We were contracted to supply and install:**

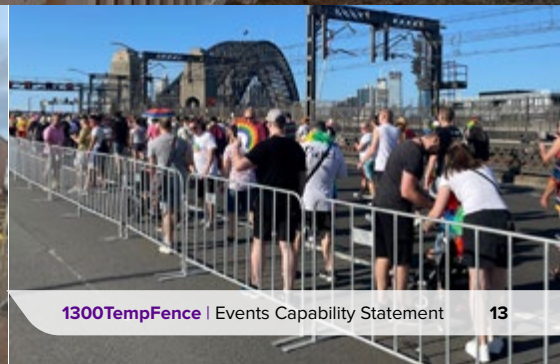

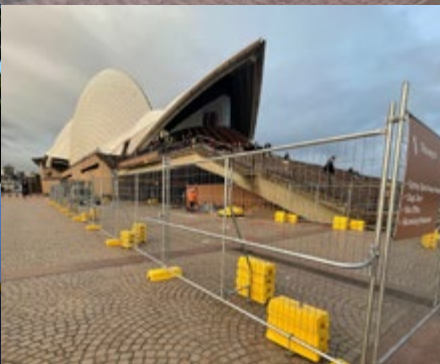

- **1,595m x Crowd Control Barriers**
- **568m of 54km Engineered Spec Fence**
- **568m White Shade Cloth 90%**
- **44 x KI 1000's with Mesh Tops**
- **158m White Picket Fence**
- **60 x Portable Toilets**

Our dedicated teams efficiently handled the logistics of the event setup, working diligently over two days for the bump-in process, ensuring that all structures were in place and ready for the race. After the event, the teams efficiently dismantled and removed all temporary structures, completing the bump-out process over three days, including a Sunday, to minimise disruption to Melbourne's busy CBD.

Overall, the event was a tremendous success, drawing in a large crowd and creating an electric atmosphere for participants and spectators alike.

## CONVENIENT LOCATIONS AUSTRALIA WIDE

## DON'T BELIEVE JUST US, *Here's what some of our clients have said!*

Over the years I have used  
1300TempFence for all of my  
events due to their high-quality  
service delivery.

Fencing at events is complex and  
the Red Bull Billy Cart Race was  
no different. The 1300TempFence  
team once again were  
outstanding.

#### RED BULL BILLY CART RACE

David Smith

A sincere thank you for being  
part of the 2022 UCI Road World  
Championships.

We recognise the time, dedication  
and excellence the 1300TempFence  
team contributed to the delivery  
of the event, and the collaboration  
effort put in that allowed us to stage  
the event so successfully.

#### WOLLONGONG 2022 UCI ROAD CHAMPIONSHIPS

Stuart Taggart

Great experience with Ben  
and Stuart from Melbourne  
1300TempFence!

Would 100% hire from these guys  
again for any Melbourne events.

#### NIGHT NOODLE MARKET

Jessica Good
