

Keep your family safe this summer

FREQUENTLY ASKED QUESTIONS:

1. How many metres required?

This depends on the size of the pool and the install location. One of our customer service team will help you determine the amount of fencing required. Please note, minimum hire charge is \$395 + GST.

2. Do they need a gate?

We strongly recommend the use of a self-closing pool gate for ease of use and secure access to the pool area.

3. What surface can the pool fence be installed on?

Pool Fence can be installed on Grass/Dirt or a solid surface like concrete or decking. We just need to be informed at the time of ordering to ensure we bring the right equipment.

4. How long can it be hired for?

You can hire your fence for as long as you like. Minimum hire term is 1 month.

5. Is the fence safe?

Our pool fence products comply with the Australian Standard AS 4687-2022 Temporary Swimming Pool Fencing.

6. How long does a fence take to erect?

Pool Fencing is relatively quick to install and should only take an hour. This can vary if there is a larger install or if the team has to carry components a long way.

7. Can I purchase the fence if I want to?

Yes, there are a range of options for purchase through Clark Rubber or 1300TempFence.
